Dear Supporter of Music,

The Genesee Chorale invites you to support us as we begin our 38th season of presenting fine choral music to the surrounding communities. We perform several concerts a year in many different venues. This past year we performed under the direction of our conductor, Ric Jones, two spring concerts consisting of a mix of contemporary and traditional selections and two fall concerts featuring seasonal music. We also performed at GoArt's *Picnic in the Park* on the 4th of July and at the Richmond Library's *Music Sandwiched In*. We are proud and pleased to have been asked to perform in locations outside our immediate area, including a performance in Medina and Lyndonville, and an upcoming event at the Cobblestone Society Museum, all located in Orleans County. While we perform some contemporary music, we also enjoy sharing selections of great choral literature. This variety invites audiences of all musical persuasions to enjoy our concerts.

Our concert schedule for Spring 2009 is as follows:

Friday, March 27	7:00pm	Lee-Whedon Library, Medina, NY
Sunday, April 26	3:00pm	Cobblestone Church, Childs, NY
Sunday, May 17	3:00pm	St. James Episcopal Church, Batavia NY

One of the ways we are able to continue is with the generosity of people like you. As with all businesses and organizations today, we are challenged by increasing costs for all our expenses. We realize that you must carefully weigh expenditures as well, and are depending on your belief that support of the arts is critical in times such as this. With your donation we will place your advertisement in our Patrons' Book that will be used throughout the year 2009 for all our performances including those outside our immediate area. We will also send you two complimentary tickets for each season to be used at the concert of your choice during 2009.

Please send your donation today, payable by check to the Genesee Chorale at the address indicated on the enclosed form. Please print or type any ad copy; we will review it and call you if there are any questions.

Thank you in advance for all you do to support our organization. See you at the concerts!
